

Let's Learn ~ M A N D A R I N

Los Cerritos Elementary—515 San Antonio Drive—Long Beach

Research in support of Elementary School Foreign Language Learning:

Elementary school students of average academic ability showed improved reading achievement after participation in a voluntary before- and after-school foreign language program.

Garfinkel, A. & Tabor, K.E. Elementary school foreign languages and English reading achievement: A new view of the relationship.

Tested 6-year-olds after 1 year in French immersion showed significant differences in favor of immersion students on Performance IQ, Picture Arrangement and Object Assembly.

Samuels, D.D., & Griffore, R.J. French language immersion program: Its influence on intelligence and self-esteem.

What your child will be learning:

The first year, kids learn to love the language and come away with a basic vocabulary covering a number of topics including: Greetings/introductions—Family/home - Colors/numbers—Friends—Classroom/school
